Re: Notification to School Staff of the Physical Fitness Facility Medical Emergency Response
Instructions and AED Availability

State law requires the Illinois High School Association to post a hands-only cardiopulmonary resuscitation (CPR) and automated external defibrillators (AED) training video on its website. The law also requires the District to notify staff members and parents/guardians about the video. You are encouraged to view the video, which will take less than 15 minutes of your time, at:

Sincerely,

Arthur R. Culver, Superintendent
